Re: *United States v. Isaac Sturgeon*, 21-MJ-286

Dear Chief Judge Pollak:

On March 8, 2021, Mr. Sturgeon was released on a \$250,000 bond signed by 7 suretors and with the condition that property be posted within three days. Mr. Sturgeon is in the process of posting his property, specifically - 200 Lovell Road, Dillon, Montana, 59725. My office has been in contact with the Clerk & Recorder in Beaverhead County, Montana. We provided the County Clerk's office with a copy of the Federal Court bond (with a court seal) and deed to the property. We were told this was insufficient and in order for the property to be posted, a civil attorney will need to complete the requisite paper and e-file the documents with the county clerk's office. Mr. Sturgeon is actively in the process of obtaining a civil attorney to complete this process. For these reasons, we respectfully request an extension for posting property.

I have conferred with the government and they do not object to extending the deadline to Monday, March 15, 2021. Thank you for your time and consideration.

So Ordered,

Cheryl L. Pollak

USMJ 3/11/2021

Sincerely,

/s/
